NEW ORLEANS PIPE TRADES APPRENTICESHIP PROGRAM

CAREERS TO BUILD ON

THE NEW ORLEANS PIPE TRADES APPRENTICESHIP PROGRAM

Description: The Plumbers and Steamfitters JATC has a training program consisting of classroom instruction (Two nights per week, two semester per year) and on the job training. Apprentices earn raises every six months through completion of courses and excelling in job performance. Upon successful completion of the five-year program, the Apprentices become Journeyman as Plumbers, Pipefitters, or A/C Service Technicians. (All licenses and certifications are obtained prior to completion)

Applications: Applications are accepted at the Metairie Campus from 8:00am to 12:00pm & 1:00pm to 4:00pm, Monday through Thursday. The school is located one block west of Severn Ave. and one block north of I-10 Service Road. There is a \$20.00 non-refundable application fee required for all applications to be processed. Students pay a small book fee each semester. Students pay no tuition.

More Information: When you are planning to apply for the program, be sure to bring: a valid driver's license (LA/MS), your social security card, a certified copy of your birth certificate and your high school diploma with transcript or GED certificate with test scores.

Also, if you have military experience, bring a copy of your DD214. Advanced placement for documented previous work and training experience will be considered. (Ask for details)

Reliable transportation is necessary because of job locations.

TRAINING

Plumbing, Welding, Blueprint Interpretation, Computer, Drafting, Air Conditioning, Electrical, Refrigeration, and Rigging are some of the technical training courses that are offered. Safety training is integrated into every course. All accepted students will be enrolled with the Louisiana Technical College System as well as Washtenaw Community College. Students that successfully complete courses will earn college credits that can be used towards an Associate's Degree in Construction Supervision. (Go to uauniversity.org for more details)
